## ABOUT HYCE

Founded in 2005, **HYCE INFRA** is a commercial construction firm dedicated to delivering quality projects on time and under budget. We specialize in new construction, renovation, repurposing of existing structures, and currently serve clients spread all over Hyderabad. Our team of experienced professionals brings a breadth of knowledge to every job, and our commitment to excellence ensures that the job is completed correctly and to the highest standards. We have been on the cutting edge of the industry for over 17 years, consistently delivering the highest quality work to our clients.

We have been in the construction industry for over 17 years, providing exceptional service and delivering quality solutions to our clients. Our team consists of highly qualified professionals who strive to meet and exceed our client's expectations. We take pride in our ability to understand our clients' needs and provide the best possible solutions with absolute precision. Our team has the experience and technical know-how to assist you with any of your project needs.

We strive to stay up-to-date with the latest technologies and to provide our clients with the highest quality of service. We have a proven track record of success and have worked on a variety of projects, from simple to complex. Our commitment to excellence ensures that every project is completed with success.

## WELCOME MESSAGE

### **A. Venugopal Rao**

*SOLE PROPRIETOR HYCE*

As the proprietor of this [HYCE ENGINEERS & INFRA](#), my dream has always been to showcase my skills and knowledge about civil engineering to the world and elevate my business to a higher standard. We are a team of dedicated and motivated professionals, and I am confident that we can overcome any obstacle with our combined efforts. Our commitment to excellence and hard work is what sets us apart from our competitors. We believe in going the extra mile to ensure exceptional results for our clients, and we never shy away from tackling difficult challenges and complete it successfully without any hitches.

The team at [HYCE ENGINEERS & INFRA](#) is always eager to take on any project and contribute not just in terms of developing structures, but also in the way of building character. We understand the importance of our job and take pride in offering top-notch services to our community. We are a committed group that works hard to ensure that all projects are completed with quality in mind and we strive for excellence, as we want to leave a lasting impression and help build a better future for everyone.
